

the Alumni Association of Don Bosco in Korea

<p>Hi my fellow Salesians, This is Lee Myung Jae Bosco, President of the Alumni Association of Don Bosco in Korea.</p> <p>I had the great privilege to meet you all at the 11th EAO General Assembly in Dili, East Timor in October, 2016. Although the assembly could not convene due to COVID-19 last year, I'm grateful the 12th EAO General Assembly can come together like this, even if it's through Zoom.</p> <p>The Seven Projects discussed at the in the last general assembly are being actively promoted by the Alumni Association in each region.</p> <p>The Alumni Association of Gwangju, where my alma mater is located, purchased a 3-Story building in Gwangju in 2018 and uses it as office for solid alumni development. The Alumni Association of Seoul, the most active alumni association in the region, in 2018, established and runs Salesian Future Committee to continuously provide scholarships and support to college students in Seoul, on top of the already existing scholarships from alma mater students.</p> <p>Alumni Assoucation of Don Bosco Cicational School in Seoul prepared their own activities video today and want it played seperately. I will conclude the introductory comments here and will continue to present the activities of Gwangju and Seoul Alumni of Salesian high school and activities of Don Bosco Vocational School in Seoul. God Bless you Salesians and may God's peace and blessing be with you and your family.</p>	
<p>Activities conducted by Past Pupils Provincial Association in Korea In the year 2017 to 2021</p>	
<p>Purchased Gwangju Salesian Alumni Hall building Purchased a 3-story building in Downtown Gwangju and hired full-time employees for continuous development of the alumni association.</p>	

<Salesian Future Committee> Establishment Year 2018 the establishment of Salesian Future Committee

The Future Committee was established to contribute to the development of future talents and pride as a Salesian, by providing scholarships to the Salesian who study hard with dreams and hopes despite the poverty-stricken family background.

Since year 2018, the year Future Committee was established, more than a dozen university Salesians have been awarded scholarships every year and have been focusing on their studies with strength and courage.

<Salesian Future Committee> Scholarship delivery In 2018, 14 university salesians were awarded a total of ₩14,000,000 in scholarships.

<Salesian Future Committee> Scholarship delivery In 2019, 14 university salesians were awarded a total of ₩14,500,000 in scholarships.

<Salesian Future Committee> Scholarship delivery In 2020, 12 university salesians were awarded a total of ₩15,000,000 in scholarships.

Scholarship provided by Gwangju Salesian Scholarship Committee Foundation The foundation provides scholarship of ₩10,000,000 Won to Salesian High School students twice every year.
